ANNUAL PROCESS REVIEW
SECTION 1: INTRODUCTION
This report describes business processes, operational planning, record keeping, and administrative procedures.
SECTION 2: BUSINESS OPERATIONS
Teams review their daily activities, assign responsibilities, and monitor work progress. Regular reviews help organizations identify problems and improve efficiency.
SECTION 3: DOCUMENTATION
Business reports should be accurate, organized, and easy to understand. Employees should maintain records and follow established procedures.
SECTION 4: PROCESS IMPROVEMENTS
Managers review existing workflows, identify bottlenecks, and recommend changes. Teams evaluate whether these changes improve efficiency.
SECTION 5: PERFORMANCE REVIEW
Performance reports help managers understand completed tasks, outstanding issues, and future requirements.
